

Dear Friends,

Due to the current crisis, **Wise Buys Community Shop is now shut.**

In the foyer we have a table sale of items we think might be useful for people wanting some entertainment at home during this difficult time. This will be available at the time when the centre is open (though this will be very limited times). Please leave money in the honesty box by the shop door if you buy something.

If you are coming for Foodbank at a time when the centre is shut – please ring 01323 409925 (Foodbank) or go to Grove Road distribution location.

ALL of the children's groups that meet at Community Wise are finishing on Friday 20th March, as the schools are closed.
